

Морски транспорт - пълна разбивка

Шаблон: Разбивка на всички такси (морски транспорт)

BG + EN версия. Полетата в [скоби] са за попълване. Таблиците са за копиране/попълване.

Версия 1: Български (имейл до спедитор)

Тема: Морски транспорт - breakdown на всички такси (origin + ocean + destination) -
[SHIPMENT] / [POL-POD]

Здравейте, [ИМЕ/ЕКИП],

Моля да ми изпратите пълна разбивка на всички такси за морски транспорт по пратка
[SHIPMENT / REF] (маршрут [POL] - [POD]), разделени на Origin / Ocean freight /
Destination, за да валидирам офертата и да избегнем “скрити” разходи.

Формат: име на такса / база (CBM, W/M, pcs) / единична цена / количество / общо /
валута / платимо от кого + маркировка кое е estimated и кое е final.

Благодаря!

Поздрави,

[ИМЕ]

Sea freight - full charges breakdown

Subject: Sea freight - full charges breakdown (origin + ocean + destination) - [SHIPMENT] / [POL-POD]

Hello [NAME/TEAM],

Could you please provide a full charges breakdown for sea freight shipment [SHIPMENT / REF] (route [POL] - [POD]) split into Origin / Ocean freight / Destination, so I can validate the quotation and avoid hidden costs.

Format: charge name / basis (CBM, W/M, pcs) / unit price / quantity / total / currency / payable by + mark what is estimated vs final.

Thank you in advance.

Best regards,

[NAME]
